

# MAPLE RIDGE CREEK VILLAGE CONDOMINIUM ASSOCIATION POLICIES

**POLICY NUMBER: MRC006**  
**POLICY TITLE: EXTERIOR LIGHTS\***  
**POLICY ADOPTED: APRIL 19, 2000**  
**LAST REVIEWED: MARCH 16, 2009, MARCH 19, 2018**  
**POLICY REVISED: OCTOBER 21, 2019**

## **1. Porch and Garage Lighting Fixtures**

Residents may replace the porch lights and the carriage lights located on each side of the garage with one of the following selections:

- Sunset style F7949-31
- Lighting One style 9JEL8 (Shelby Design Center)
- Lamps with motion detector features are NOT allowed on garages

## **2. Deck and Door Wall Lighting Fixtures**

The exterior light fixtures which Pulte installed over decks and door walls may be replaced with a similar “jelly jar” style, or other lamps that meet the following requirements:

- Lamps must be traditional in style and similar to those installed on porches
- Metal surfaces must be black in color
- Total height must not exceed 12”
- Lamps with motion detector feature are allowed

An Exterior Lighting Modification Request must be submitted and include the specific manufacturer model number. The Exterior Lighting Modification Request must include both Manufacturer model information along with a picture of the proposed fixture. Replacements must correspond to the size and design of the listed approved models

## **3. Other Lighting**

A. Permanent decorative or functional exterior lighting may be installed outside of any unit to illuminate the walkway from the driveway to the front door on Ranches, to illuminate the flowerbeds, or to illuminate the address on all units.

Any such lighting must:

- Be approved by the Board of Directors prior to installation
- Be placed within the existing flowerbeds

## MAPLE RIDGE CREEK VILLAGE CONDOMINIUM ASSOCIATION POLICIES

- Have all connecting wires buried. Co-owners are obligated to correct, at his or her cost, any damage done to any common element installations, such as irrigation lines, during the burying of underground lines.
  - Use **only** white lights.
  - Not exceed 20 inches in height.
  - Be of the low voltage or solar type, **except that a 110volt spotlight may be used to illuminate the house numbers.**
- B. Any light fixtures, just as with all exterior modifications, must conform to the Board's maintaining of community standards. The Co-owner will be responsible for any damage caused during the installation of light fixtures. Any fixtures so installed are the responsibility of the co-owner to properly maintain, including keeping all wiring buried.
- C. **The obligations under this section (#3. Other Lighting) of the policy shall run with the unit and shall be binding upon any successors or assigns of the unit.**

**A diagram of the planned installation must be submitted with a special "Modification Request Form – Decorative Lighting" (Form follows this policy.) This form must include the manufacturer and model number, along with a photo of the lights to be installed.**

**\*NOTE: Co-owners must submit a MODIFICATION REQUEST FORM – DECORATIVE LIGHTING and a DETAILED DIAGRAM to the Management Company. APPROVAL must be obtained PRIOR to having this work started.**

**Maple Ridge Creek Village**  
**Condominium Association**

**MODIFICATION REQUEST FORM – Decorative Lighting**
